COMPANY OVERVIEW:

In Time Tec provides onshore/offshore software development services so that our partners can focus on their strengths and keep their teams focused on the execution and innovation that will propel them forward. We provide breadth and depth in technical resources through our knowledge base and flexible workforce. This expertise is coupled with a commitment to harnessing our culture of execution by delivering immediate ROI to our clients via affordable, long-term software services.

DIFFERENTIATORS:

We garner our partners' trust and confidence that we will support them and deliver the highest quality services through the following:

DELIVERY

Focus on delivering value.
Commitment to our word and
delivering on those promises.

RELATIONSHIPS

Open and candid communication
and dedication to vested
partnerships.

VALUES

Commitment to something
bigger than ourselves. Our core
values drive everything we do:
trust, transparency, integrity,
and leadership.

QUALITY

Focused on delivering quality
and value.
